- Annual dues are \$20 per family/household, or \$10 per individual membership. Those with multi-generational families living at the same household address may wish to purchase 2 or more memberships.
- Each family membership is permitted 2 votes, and each individual membership is permitted 1 vote at the SCA annual general meeting. Votes may only be cast by members in good standing who live in Steelhead (non-resident members may not vote).
- Please pay dues by e-Transfer to: steelheadcommunity@gmail.com (remember to include your Name and 'SCA Membership' in the bank's memo line) and email us your Bank Confirmation # once you've paid.
- Current members in good standing renewing a membership may pay dues in Cash at the door of the Annual General Meeting (AGM) held each June. New members may only pay in Cash if your membership application has first been approved by the Board. Note that memberships will not be 'in good standing' until such time as annual dues are paid in full.

We occasionally need volunteers for community events or projects? Would you be interested in helping out from time to time?
